

Freight Forwarding / Transport / Logistics

Agility Fairs and Events has been appointed the official logistics provider for ANZBA ASM.

Agility specialises in exhibition freight forwarding - both domestic and international. Agility can ensure that your product, display & merchandise are in the right place, at the right time, providing a complete transport, materials handling & storage service. Agility provides a complete service including monitoring of freight from your door step right through to your exhibition booth to make sure your goods are handled in a professional manner and all formalities/deadlines are met. If you are using Agility, your goods will automatically be delivered to your exhibition booth.

Agility Fairs & Events offers the following services:

- All local, interstate and international transport services including delivery onto each exhibitors' stand at the venue.
- Storage of early consignments, packing materials during the exhibition and storage after the exhibition
- For international exhibitors, a comprehensive international freight forwarding service tailored to each particular exhibitor's requirements.

Prior to the show, Agility will make contact to discuss and determine your individual freight and logistics requirements. In the meantime, for any queries please contact:

PORTERAGE:

Agility Fairs & Events manages the portorage of freight within the Brisbane Convention & Exhibition Centre. Exhibitor freight will be internally delivered and collected from your respective stand as a complimentary service.

STORAGE:

There will be limited on-site storage facilities for packing materials and boxes. It is recommended that exhibitors consider their storage needs (of packing crates and freight forwarding materials) for the duration of the exhibition. Exhibitors may not leave boxes and packing material in the exhibition display area during the show. Agility can arrange off-site storage at a cost of \$55.00 per m3 or part thereof.

Why should you use Agility Fairs & Events? Refer to the 'Benefits of Using Agility' document attached.
